# The Science of Java

“The results were phenomenal. Both residents and staff witnessed immediate, positive behavioral changes and an increased sense of community.” Dr. Michael Barber, CMO, National Church Residences

“Java Memory Care is fabulous! I am working with residents with very advanced dementia with help from higher functioning residents—it works wonderfully for all.” Judie Paden, Fairhaven United Homes

“The Java Music Club really has made such a difference. The satisfactions scores related to this are amazing. Simply put, it works.” Sherry King, Executive Director, Heisinger Bluffs, Jefferson City, MO

“Java Music has been so successful that it has influenced Chartwell’s corporate culture. We now emphasize meaningful interpersonal connections in nearly everything we do.” Laura Forsyth, Regional Manager
