

Welcome to the October 2022 issue of the LeadingAge California **iNSPIRE** Project's monthly newsletter! Every month, we will share important project updates, best practices, and success stories and pictures. Get ready to be inspired!

The **I**ntegrate **fuN**, **S**ustainable, **P**rogramming that is **I**nnovative, **R**ewarding and **E**nriches (**iNSPIRE**) Project provides skilled nursing communities with no-cost iN2L engagement technology, which offers thousands of computer-based experiences aimed at improving quality of life, reducing psychotropic drug use, providing stress relief, and much more.

For more information, visit the iNSPIRE Project [website](#). Funded through a CMP grant awarded by CDPH and CMS Region IX.

Mission Accomplished!

Last month, the iNSPIRE Project completed its final two on-site iN2L competency trainings. This concludes a total of 120 on-site iN2L trainings - 60 implementation trainings in 2021 and more recently, 60 competency trainings in 2022.

Thank you to the 60 skilled nursing communities participating in the iNSPIRE Project for showing up for these trainings, ready to learn! We appreciate your willingness to bring iN2L's person-centered engagement technology to your residents.

What You Need to Know About Your iN2L Subscription

By the end of 2022, your grant-funded iN2L subscription will come to an end and the 23" Group Engagement system and three tablets are yours to keep. Depending on when your iN2L subscription began in 2020, your 24-month subscription will end this October, November, or December.

We hope that your residents have enjoyed and benefited from having iN2L in your community and encourage you to begin thinking about how your community might maintain the monthly subscription at your own cost.

If you have questions about your iN2L subscription, you can contact iN2L's Customer Success Manager, Carmeli Hocson, by [email](#) or phone at (303) 806-0797 ext. 180.

We Want to Hear From You!

Do you have pictures of residents engaging with and enjoying the iN2L tablets or 23" Group Engagement system? Or do you have a story of a staff member that has embraced your iN2L program and taken it to new heights?

In the final year of the iNSPIRE Project, we want to highlight the work you've done and share your successes. Don't be shy, we want to hear from you!

Please [email](#) any pictures or stories to Director of CMP Grants, Amanda Davidson, or call (916) 469-3385 with any questions.

Coming Soon

Don't forget to add these important dates to your calendar!

2022 Quarterly Reporting Due Dates: CASPER Report, Quality of Life (QOL), and Activity Participation Surveys

December 16, 2022

Go to the iNSPIRE Project [website](#) to download and print the Quarterly Reporting Due Dates form and add it to your program binder or an office bulletin board.

The iNSPIRE Project supports a study including up to 30 residents in our 60 participating skilled nursing communities and includes an evaluation to determine changes over time. Your facility-level CASPER report, Quality of Life (QOL), and Activity Participation surveys are important evaluation tools and your timely submission of these are greatly appreciated every quarter.
