Days to Remember in September

September is the ninth month of the year and is full of important days and dates. If you're looking for a last-minute activity to add to your calendar, consider using content on your iN2L system to celebrate one or all of these days in September.

September 21

September 21st every year is World Alzheimer's Day around the world. This is an international campaign aimed at raising awareness and challenging the common stigma that surrounds Alzheimer and related dementia.

September 23

The autumnal equinox is an astronomical event that marks the start of autumn. In the Northern Hemisphere, the autumnal equinox occurs in September; in the Southern Hemisphere, it occurs in March.

September 28

National Drink Beer Day

Get your pint glasses ready! Crack open a cold one and make a toast to one of the oldest and most popular beverages in the world.

September 30

National Love People Day

On National Love People Day you get the opportunity to love everyone; your neighbor, your coworker, people from all walks of life, no matter race, creed or color. The only requirement for this day is to love!

We Want to Hear From You!

Do you have pictures of residents engaging with and enjoying the iN2L tablets or 23" Group Engagement system? Or do you have a story of a staff member that has embraced your iN2L program and taken it to new heights?

In the final year of the iNSPIRE Project, we want to highlight the work you've done and share your successes. Don't be shy, we want to hear from you!

2022 Quarterly Reporting Due Dates:

CASPER Report, Quality of Life (QOL), and Activity Participation Surveys

December 16, 2022

Go to the iNSPIRE Project [website](#) to download and print the Quarterly Reporting Due Dates form and add it to your program binder or an office bulletin board.

The iNSPIRE Project supports a study including up to 30 residents in our 60 participating skilled nursing communities and includes an evaluation to determine changes over time. Your facility-level CASPER report, Quality of Life (QOL), and Activity Participation surveys are important evaluation tools and your timely submission of these are greatly appreciated every quarter.
