How to Submit This Application

Send this completed application to LeadingAge California via email at mrripley@leadingageca.org together with your 990 Tax Form listing your program service revenue or your operating expenses if you are state/city/county operated or owned. Once your application is received an invoice will be generated for your annual dues. Note all new providers receive a 50% in their first year of dues and our annual billing cycle is January 1st through December 31st.

LeadingAge California membership for providers requires additional annual membership with our national partner, LeadingAge. Dues are calculated on dues band system based on a member organization’s program service revenue, audited financials, operating budget, annual P&L statement or rental income for housing members. Our dues are based upon a banded formula and figured based upon your program service revenue. Most members can find this information on their most recent form 990 that they have to file with the IRS. Others can find the information on their most recent cost report information or their financial statements. **For a complete overview of our dues structure visit www.leadingageca.org/dues.**

If you have questions, please contact Melanie Ripley, Director of Membership at mrripley@leadingageca.org.

I understand the bylaws require organizations with multiple sites, communities or locations shall be required to have all eligible sites, communities and locations to be active Provider Members of LeadingAge California.

All sales are final. No refunds on annual membership dues.

Program Service Revenue includes, but is not limited to: revenue from nursing care, assisted living, independent living units, adult day care, home health care, transportation, outpatient services, meals on wheels, hospice and community based services. It does not include: interest, investments, realized and unrealized gains or losses, special events and activities, contributions and any other services unrelated to LeadingAge’s mission. Please calculate dues based on your program service revenue on section 9 of page 1 of your 990. If “investor-owned/for profit” report your annual revenue for dues calculation.
