

LeadingAgeCA Membership Benefits for **Life Plan Community Providers**

LeadingAgeCA provides extensive resources to Life Plan Community (LPC) members. We share innovative business models, promote best practices from business leaders, and track and analyze policy and regulations.

LPC provider membership gives you:

- ◆ State statutes that support the financial strength of life plan communities, promote insurance and liability protections, encourage environmental sustainability practices, and address barriers put forth by consumer advocacy groups.
- ◆ Guidance and technical assistance on critical topics such as portfolio and continuum diversification, sponsorship transitions, financial and operational resiliency, licensing and liability issues, occupancy and consumer trends, and evolving state regulatory practices.
- ◆ Up-to-date information on LPC issues and hot topics to keep staff teams informed via regular member update calls, emails, dedicated web pages, action alerts, and newsletters.
- ◆ Easy access to learning opportunities for your entire team—often discounted or free to members.
